Michael!

I trust all is well for you. In the spirit of keeping you in the loop, below you will find recent communications regarding the UIC process. Excelsior is concerned with the amount of time these consultations may consume. In that regard if you have any suggestions on how we might move these along, please do let us know.

Thank you and have a terrific week!

Hi Becky,

We are developing the consultation letters for SHPO and FWS. I expect the SHPO letter will go out first, probably next week. We do not require any additional information at this time.

Let me know if you have other questions. Talk to you on Thursday.

Thanks,

David

Nancy;

I am following up with you for an update on the status of the EPA contact with SHPO and USFWS in regards to the Gunnison Copper Project.

Please let me know where these processes are and if you need any additional information.

Thanks,

Becky
